Description:

MANISICURE is an instant-based alcohol-based hand cleaning gel (70% in volume) and Aloe Vera prepared according to World Health Organization guidelines. Exceptional to clean hands in all those environments where a higher level of hygiene is required, even in the absence of water.

MANISICURE is composed exclusively of highly selected ingredients.

Features:

- Prepared according to World Health Organization guidelines.
- Immediate cleansing effect, without rinsing.
- Without fragrances added: it leaves your hands soft and natural thanks to the emollient substances and the action of the Aloe Vera.
- Exceptional in all situations where it is appropriate to sanitize your hands.

Mode of use:

Instructions: Pour as much as you need on dry hands and massage for 30 seconds. It doesn't need rinse.

INCI list of ingredients:

ALCOHOL, WATER, ISOPROPYL ALCOHOL, PEG-40 CASTOR OIL, CARBOMER, HYDROGEN PEROXYDE, AMINOMETHYL PROPANOL, ALOE BARBADENSIS EXTRACT LEAF, PROPYLENE GLYCOL.

Storage:

Store in aerated place at temperatures between 5/40 degrees Celsius for up to 30 months. Store in well-aired environments. Keep away from free flames, sparks and heat sources. Avoid direct exposure to the sun. Keep away from food, drink and feed.

Incompatible materials: None in particular.

Indication for the locals: Fresh and properly aerates.
