La collezione VIVA comprende poltrone e divani a due e a tre posti, che per il loro particolare design possono essere utilizzati per le aree attese di ambienti in stile o moderni. I modelli della collezione sono curati nei minimi particolari e sono corredabili di optional in grado di conferire loro raffinatezza e immagine di classe.

The VIVA collection includes armchairs and sofas that can be used for classical or modern waiting areas. All the models are manufactured with care and they can be equipped with different options in order to give them neatness and style.

v i v a

La collection VIVA comprend fauteuil et canapé à deux et à trois places qui par leur design particulier peuvent s'accommoder dans des aires d'attente d'ambiance classique ou moderne.

Le soin particulier apporté dans les moindres détails et les options possibles leur confèrent une image et un raffinement de grande classe.

La colección VIVA comprende sillones y sofá de uno, dos o tres asientos que pueden instalarse en salas de espera clásicas o modernas. La colección se ha cuidado en sus más pequeños detalles y los opciones disponibles le conferen elegancia y estilo.
